Principal's Corner

Happy February to all our MGS Families!

This month is off to a busy start with our Character Counts Assembly, where Mr. Jeff Andrews, our guest speaker, reminded all our students about the importance of respecting ourselves first and foremost in order to be able to respect others. During our assembly, we honored a few students who exemplify that respect day in and day out. The students honoured were:

Holly Joseph	Priya Maharaj-Adam	Elijah Muirhead
Lamar Coyle	Samantha Taylor	Landon Forget
Kiley Martin	Nikole Farkas	Jordan Delisle
Aidan Kelly	Youssef Moulid	Brianna Regan
Delina Deer	Megan Boisvert	Kayla Louisma
Ebony Dorsey	Zachary Burns	Sheldon Maxwell
Isabelle Cross	Alice Sylvestre Ablett	Mélodie Kessler
Maya Roel	Shawna-Hope Baltayan	Kane Phillips
Olivia Benn	Makailah McIntosh Taylor	

Ms. Jo Ann Willkie, our NFSB School Transportation Officer, joined us for a high- energetic Bus Safety Assembly where students won token gifts for their participation and knowledge about bus safety! Again, a few students were recognized for their respectful behavior on the bus. Those students are:

Olivia Wood	Daniel Shpayer	Carson Croteau
Fletcher Walker	Maya Roel	Adara Beauvais

Dates to Remember

Pedday No school for students / Daycare closed	Feb 13th
Pedday No school for students	Feb 24th
Governing Board Meeting 2 19h00	Feb 27th

Our staff is busy assessing and evaluating our students, getting ready for term II reports which will be going out on March 2nd, with interviews on March 16th and 17th. We look forward to that time to meet together to continue to support our students in their progression.

Well, folks, on a colder note, with the help of our friends in K21 and K22, Punxsutawney Phil, the groundhog, saw his shadow, so six more weeks of winter. On that note, stay warm and hopefully the sun will be shining brighter before we know it!

Until next month,

Lynn Harkness

Kindergarten Registration

2017-2018

Upcoming Kindergarten Students

Registration will take place during the week of **February 13th— 17th**. Your child must be 5 years of age by September 30, 2017 and one of their parents must have completed most of their primary education in English. Please call the School at **450-691-2600** for an appointment.

Derogation for Kindergarten

In exceptional cases, parents can request a derogation from the school board which will enable a child to enter Kindergarten prior to his/her 5th birthday. To do so, please contact the School Board at 450-691-1440.

Special Needs

Parents are asked to inform the school and/or the school board at 450-691-1440 ASAP if the child has special needs. It should be noted that parents of children severe learning disabilities (autism, intellectual handicap, etc) may apply to the school board for services. For more information about these exceptional situations, please contact the school and/or the school board.

If you know any families who have pre-school children please encourage them to call the school to make an appointment.

The cheese helps you to smile with healthy teeth!

Did you know that eating cheese at the end of the meal or as a snack helps fighting cavities?

The cheese increases the production of saliva, which helps to dilute sugars and clear them from the mouth. Cheese contains some calcium, proteins, fat and phosphor, which all work to protect teeth against acids and help them stay healthy.

The cheese, a local product, helps us to keep our beautiful smile.

We would like to remind parents and students of our policy regarding the use of electronics in school.

We are aware that some of the older students may bring their cell phone to school, and we do tolerate it, as long as they turn them off and put them away during school hours.

If we see any children break this rule, we will confiscate the electronic for a 24h period. Please be advised that if the event happens on a Friday, we will keep it until Monday.

Thanks for your cooperation.
