

Ms. Eng's Challenge of the week!

Hi everyone.

I hope you had a wonderful long weekend and you took advantage of the beautiful weather.

This week's activity is focusing on Dance. If you need a little break from your school work and want to get up and dance, this is for you. Nothing too difficult. We're going to try a bit of Zumba for Cycle 1 and 2. If Cycle 3 wants a challenge, there is a dance with some more complicated choreography.

Cycle 1 - Electronic Song (Minions)

Cycle 3 - Can't Stop the Feeling

Of course you can choose any level you want depending on your dance ability.

Have fun!!
