

# Ms. Eng's Challenge of the week!

Hi everyone.

I hope you had a nice weekend. Here is the activity of the week focusing on Drama.

## PLAY **ARTISTS AND BLOBS**

1. **You need a partner or a group for this activity. You can play with your siblings and your parents.**
2. **One person is the artist. The other person or the rest of the group will be the blobs.**
3. **The artist's job is to form the blobs into some kind of silly statue. The blobs relax as much as possible until the statue is formed, then tries to hold that pose.**
4. **Feel free to use props or costumes.**
5. **Take a picture of your work.**

Have fun!!
